

# **Lolo Farmer's Market**

## **Vendor Information**

The Lolo Farmer's Market is welcoming vendors!

**Fridays from 2pm-6pm with set up beginning at 1pm. Only \$15 per space.**

**We will be outdoors on the grassy area on the North side of the Community Center, unless there is inclement weather, then we will be indoors.**

**First Market Day will be June 3<sup>rd</sup>, 2022, with the GRAND OPENING Market Day on June 10<sup>th</sup>, 2022. (No Market Day on June 24<sup>th</sup>, but if you'd like to come and set up your table during the Yard Sale days, we can connect you to get that set up! The Community Center is participating in the Bitterroot 50 Mile Garage Sale!)**

We would like to strongly encourage all produce sellers to participate in the "Senior Coupons" and "WIC" farmer's market programs. Both programs are a 'win-win' for our community and vendors.

Thanks to the new Cottage Food Law, SB199 (Local Food Choice Act), labeling for home baked goods will only require you to post one sign per item at your table (you do not need to label individual items). Your labels/signs must include ingredients lists for each item you are selling. (You are more than welcome to label each individual item if you so choose, those labels will need to include a list of ingredients as well.)

We would like to welcome as many produce vendors as possible; crafters, bakers, and MLM will be limited to decrease duplication of products and help ease competition.

Come out and help build a better, stronger, community!

**Please fill out the sign-up form and return it to: Lolo Community Center, PO Box 462, Lolo, MT 59847**
